

**Guide for Authors**  
**(Concise and informative)**  
**(Avoid the use of abbreviations and formulae if possible)**

First author<sup>1</sup>, second author<sup>2</sup> and third author<sup>3</sup>

<sup>1</sup>Author affiliation addresses with the full postal address including the country name  
email: [aaaaa@ssss.com](mailto:aaaaa@ssss.com) (correspondence author).

**ABSTRACT**

Abstract should be written with single space and with total length of about 150 – 200 words. It should state briefly the background, purpose of the study, methodology, major results and major conclusions.

*Keywords: a maximum of 5 words (avoid “and”, “of”)*

**1. INTRODUCTION**

IJEScA is a multi-disciplinary journal in application of engineering and science. The journal is published twice a year (May and November) by Graduate School Hasanuddin University, Indonesia. Please write your paper in good English. The length of article should not exceed 8000 words or 12 pages [1]. The template of IJEScA can be downloaded via <http://pasca.unhas.ac.id/ijesca>.

Subsections should be numbered A (then A.1, A.2, ...), B, etc.

*A. New Submission*

All articles should be submitted by email to [ijesca@unhas.ac.id](mailto:ijesca@unhas.ac.id). Submitted papers should have not been published previously in any forms. All units should use International Standard - SI. In addition, all figures and tables should be placed at the last page in the paper with single column. The figures and the tables should be converted into the image with TIFF or JPG formats with 300 dpi. The paper should use word processing software.

*B. Theory*

Theory is developed from the background of the paper, and should include only the relevant theory to the topic of the paper.

*C. Reference*

The references (numbers in square brackets) are numbered in order of appearance in the text.

**2. METODOLOGY**

The methods should be described in detail, including modification and shall be indicated by reference.

**3. RESULT AND DISCUSSION**

It should be concise and clear.

**4. CONCLUSIONS**

The conclusions should present the major conclusions of the study.
